WHAT ^{IS} EXPECTED

Here at Waves Basketball we pride ourselves on empowering and enforcing a positive club culture.

If you are selected onto a Waves Representative Team you will be expected to

- Register & participate in the Waves domestic competition

- Attend all (domestic & rep) games & practices with the exception of illness or family circumstances

- Communicate regularly with the Team Coach / Manager

Each team normally enters one tournament per rep season. This being the John Martin Country Basketball Tournament which is usually held on the June long weekend. Additional tournaments could also be entered, your Head Coach and Team Manager will discuss these options with your team.

Teams often undertake bonding activities leading into the rep season which are designed to be fun and give athletes a chance to know each other away from the basketball court.

The Club also offers additional learning/educational opportunities which whilst are 'opt in' programs, are highly recommended.

At Waves Basketball we encourage dedication and commitment from athletes to train hard, learn new skills and to fit into the team's structure. Training should be supplemented with individual practice of fundamentals each week.

See you at trials.
